

Amendments

On October 24, 2016, the Board of Directors of Expedia, Inc. adopted a standalone Code of Business Conduct and Ethics for members of the Expedia, Inc. Board of Directors and senior financial officers, which includes Expedia's principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions (the "***Director/Financial Officer Code***"). Prior to that time, Expedia directors and senior financial officers had been subject to the company's general Code of Business Conduct and Ethics, which continues to apply to all employees (the "***Employee Code***"). The provisions of the Employee Code and the Director/Financial Officer Code are substantially the same except that reporting in the case of the Director/Financial Officer Code is through the head of Expedia's Legal or Internal Audit functions, or directly to the Chairman of the Audit Committee.
